- I am a Medicare patient. I understand that Medicare has a Physical Therapy Cap that includes a maximum benefit of allowed charges in a year. After meeting my deductible, Medicare will pay 80% and I am responsible for 20% of the allowable charges. “I request that payment of authorized Medicare benefits be made either to me or on my behalf to the name of provider of service and (or) supplier. I authorized any holder of medical information about me to release to the Centers of Medicare and Medicaid Services and its agents any information needed to determine these benefits or the benefits payable for related services”
