

Community Awareness

(a **FREE Seminar** for you,
family members/loved ones)
about **Breast Cancer Rehab**

3pm-4pm Saturday, June 18, 2011

Please **RSVP** by June 6th, 2011: **703-639-0950**

Location of
Seminar

Body Kinetics Rehab

7617 Little River Turnpike,
Suite Lower Level - 110,
Annandale, VA-22003
(Handicap parking available)
www.bodykineticsrehab.com

E-mail: jt@BodyKineticsRehab.com

www.BodyKineticsRehab.com

You Will Learn:

- How physical therapy can help women after breast cancer treatment
- What you can do to **reduce your risk** of lymphedema
- What exercises and activity are safe to do following surgery and radiation

You will also receive information and discuss:

- Exciting **new information** from the Physical Activity and Lymphedema (PAL) study on the benefits of strengthening for breast cancer survivors

Presented by: Jennifer Willey, PT, MPT, CLT-LANA
Specializing in breast cancer rehab and certified lymphedema therapist for more than 12 years

*Seating may be limited, so please RSVP by June 6th, 2011, to reserve a seat.
(703) 639-0950. Look forward to meeting everyone. Thank you!*
